Additional Information

Employers Liability Certificates

The Employers Liability (Compulsory Insurance) Regulations 1998 lay down certain obligations for employers and in particular you should be aware of the following:

- **Display of Certificates**

Allianz will provide you with a Certificate of Employers Liability Insurance and this will clearly state the companies covered by the policy. You must display a copy of the certificate at each business premise where your employees can see it easily.

- **Retention of Certificates**

You must retain copies of Certificates that have expired for at least 40 years. This is because certain claims e.g. industrial disease, could be made many years after the disease is caused. This requirement applies to policies that were in force on 31st December 1998 or later.

Health & Safety Legislation

Where you are required to do so under Health and Safety legislation you must:

- have a Health & Safety Policy in place
- undertake Risk Assessments in order to identify workplace hazards
- have an induction and on-going training programme which is regularly reviewed and recorded
- have a nominated person responsible for Health & Safety.

Data Protection Act

We may use the personal and business details you have given us or which are supplied by third parties including any details of directors, officers, partners and employees to provide you with a quotation; deal with your policy; to search credit reference and fraud agencies who may keep a record of the search; to share with other insurance organisations to help offset risks, to help administer your policy and to handle claims and prevent fraud; to support the development of our business by including your details in customer surveys, and for market research and compliance business reviews which may be carried out by third parties acting on our behalf. You agreed when you applied for the policy that your directors, officers, partners, and employees have consented to our using their details in this way.

We may need to collect data relating to Insured Persons, which under the Data Protection Act is defined as sensitive (such as medical history of Insured Persons) for the purpose of evaluating the risk or administering claims which may occur. You must ensure that you have explicit verbal or written consent from the insured persons to such information being processed by us and that this fact is made known to the insured persons.

We may share your details with other companies within the Allianz group of companies or pass them to third parties so that we may tell you by telephone, email or post of products and services which we think may be of interest to you. If you do not want to know about these products and services, please write to: Customer Satisfaction Manager, Allianz Insurance plc, 57 Ladymead, Guildford, Surrey, GU1 1DB to let us know. Your details will not be kept for longer than is necessary.

Under the Data Protection Act 1998 individuals are entitled to a copy of all the personal information Allianz Insurance plc holds about them. Please contact the Customer Satisfaction Manager at the address above.

Personal details may be transferred to countries outside the EEA. They will at all times be held securely and handled with the utmost care in accordance with all principles of English law.

Terrorism Cover

In addition to the cover automatically provided, the policy (except for Legal Expenses – Section 5) can be extended to provide Terrorism cover for an additional charge. For further information contact your insurance adviser.

Survey and Risk Improvement Condition

If the policy has been issued or renewed subject to us carrying out a survey then it will be a condition of the policy that you must comply with all risk improvements required by us within time scales specified by us.

We reserve the right to amend the terms and conditions of cover if you do not comply with this condition.

Policy Limits

Higher limits may be available on request. Please ask your insurance adviser for details.
