This document provides details of your policy and the terms and conditions that apply. Please read it carefully and keep it in a safe place.

Introduction

Your Complete Contractor Policy is made up of several parts which must be read together as they form your contract of insurance with the insurer. Please take time to read all parts of the Policy to make sure they meet your needs and that you understand the terms, exclusions and conditions. If you wish to change anything or if there is anything you do not understand, please let your insurance adviser or your Allianz office that issued your Policy know – adjustments are easily made and we will be pleased to help.

The parts of the Policy are:

- the Statement of Fact or Proposal Form
- this Introduction; the Insuring Clause; the Policy Definitions; the Policy Exclusions and Policy Conditions, all of which apply to all sections of the Policy
- the Sections of cover provided, including the Section Definitions, Extensions, Conditions and Exclusions.
- the Schedule, which confirms the Sections of cover that are insured and which includes any additional clauses applied to the Policy

Any Section stated to be 'not insured' in the Schedule shall be inoperative.

Any word or expression in the Policy which has a specific meaning under the Policy or Section Definitions has the same meaning wherever it appears in the Policy.

Allianz contributes to the Financial Services Compensation Scheme (FSCS).

You may be entitled to compensation from the FSCS if we are unable to meet our liabilities. For compulsory insurance you may be entitled to compensation up to 100% of the claim. For all other types of insurance you may be entitled to compensation of up to £2,000 for the first part of the claim and 90% of the remainder of the claim. Further information about compensation scheme arrangements is available from the FSCS.

We strive to provide a first-class service. However, if you are in any way dissatisfied, contact your insurance adviser or the Allianz office that issued the Policy.
